(2) his subsequent failure to execute the usual contract, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

(4) All Candidates receiving Certificates will be required to enter into contracts, by which, save being in force, they may be required to make such payments as may be required by the rules and regulations for the Service payable on their own account to the Government or for the payment of their families. The above provision shall not be subject to the provisions of the Civil Service Regulations.
